## **Part II – Activity Schedule**

## Section V. Activity Schedule

### **Objectives**

The objectives of the Activity Schedule are

- (a) to provide sufficient information on the quantities of Services to be performed to enable bids to be prepared efficiently and accurately; and
- (b) when a Contract has been entered into, to provide a priced Activity Schedule for use in the periodic valuation of Services executed.

In order to attain these objectives, Services should be itemized in the Activity Schedule in sufficient detail to distinguish between the different classes of Services, or between Services of the same nature carried out in different locations or in other circumstances which may give rise to different considerations of cost. Consistent with these requirements, the layout and content of the Activity Schedule should be as simple and brief as possible.

### **Provisional Sums**

The estimated cost of specialized, or of special goods to be supplied, by other Service Providers (refer to Clause 8 of the Conditions of Contract) should be indicated in the relevant part of the Activity Schedule as a particular provisional sum with an appropriate brief description. A separate procurement procedure is normally carried out by the Employer to select such specialized Service Providers. To provide an element of competition among the bidders in respect of any facilities, amenities, attendance, etc., to be provided by the successful Bidder as prime Service Provider for the use and convenience of the specialist contractors, each related provisional sum should be followed by an item in the Activity Schedule inviting the Bidder to quote a sum for such amenities, facilities, attendance, etc.

## 6. Payments to the Service Provider

<b>6.1 Time-Based Remuneration</b>	The Service Provider's remuneration shall not exceed the Contract Price rates and shall be subject to the quantities performed as agreed with the purchaser including all Subcontractors' costs, and all other costs incurred by the Service Provider in carrying out the Services described in Appendix A. Except as provided in Sub-Clause 5.2, the Contract Price may only be increased above the amounts stated in Sub-Clause 6.2 if the Parties have agreed to additional payments in accordance with Sub-Clauses 2.4 and 6.3.
<b>6.2 Contract Price</b>	(a) The price payable in Namibian Dollars is the Contract Agreement signed by the Parties.
<b>6.3 Payment for Additional Services, and Performance Incentive Compensation</b>	6.3.1 For the purpose of determining the remuneration due for additional Services as may be agreed under Sub-Clause 2.4, an increase in the remuneration may be done by increasing the quantities multiplied by the unit price thereto provided in Appendices D and E.
<b>6.4 Terms and Conditions of Payment</b>	6.4 Payments will be made to the Service Provider according to the payment schedule <b>stated in the SCC. Unless otherwise stated in the SCC</b> , the advance payment (Advance for Mobilization, Materials and Supplies) shall be made against the provision by the Service Provider of a bank guarantee from a bank operating in Namibia for the same amount, and shall be valid for the period <b>stated in the SCC</b> . Any other payment shall be made after the conditions <b>listed in the SCC</b> for such payment have been met, and the Service Provider have submitted an invoice to the Employer specifying the amount due.
<b>6.5 Interest on</b>	6.5 If the Employer has delayed payments beyond fifteen (15) days

**Delayed  
Payments**

after the due date stated in the SCC, interest shall be paid to the Service Provider for each day of delay at the rate stated in the SCC.

**6.6 Price  
Adjustment**

6.6.1 Prices shall be adjusted for fluctuations in the cost of inputs only if **provided for in the SCC**. If so provided, the amounts certified in each payment certificate, after deducting for Advance Payment, shall be adjusted by applying the respective price adjustment factor to the payment amounts due in each currency. A separate formula of the type indicated below applies to each Contract currency:

$$P_c = A_c + B_c \frac{L_{mc}}{L_{oc}} + C_c \frac{I_{mc}}{I_{oc}}$$

Where:

$P_c$  is the adjustment factor for the portion of the Contract Price payable in a specific currency “c”.

$A_c$ ,  $B_c$  and  $C_c$  are coefficients specified in the SCC, representing:  $A_c$  the nonadjustable portion;  $B_c$  the adjustable portion relative to labor costs and  $C_c$  the adjustable portion for other inputs, of the Contract Price payable in that specific currency “c”; and

$L_{mc}$  is the index prevailing at the first day of the month of the corresponding invoice date and  $L_{oc}$  is the index prevailing 30 days before Bid opening for labor; both in the specific currency “c”.

$I_{mc}$  is the index prevailing at the first day of the month of the corresponding invoice date and  $I_{oc}$  is the index prevailing 30 days before Bid opening for other inputs payable; both in the specific currency “c”.

If a price adjustment factor is applied to payments made in a currency other than the currency of the source of the index for a particular indexed input, a correction factor  $Z_o/Z_n$  will be applied to the respective component factor of  $p_n$  for the formula of the relevant currency.  $Z_o$  is the number of units of currency of the country of the index, equivalent to one unit of the currency payment on the date of the base index, and  $Z_n$  is the corresponding number of such currency units on the date of the current index.

6.6.2 If the value of the index is changed after it has been used in a calculation, the calculation shall be corrected and an adjustment made in the next payment certificate. The index value shall be deemed to take account of all changes in cost due to fluctuations

in costs.

## **6.7 Dayworks**

6.7.1 If applicable, the Daywork rates in the Service Provider's Bid shall be used for small additional amounts of Services only when the Employer has given written instructions in advance for additional services to be paid in that way.
